PROFILE SUMMARY

Experienced front-end developer with a strong background in web development and a passion for creating intuitive and engaging user experiences. Proficient in HTML, CSS, and JavaScript, with experience using modern front-end frameworks such as React and Nextjs . Seeking to leverage my skills and experience to join a dynamic team and contribute to the success of a forward-thinking organization.

SKILLS

Soft skills: Excellent communication | Public Speaking

Technical skills: HTML | Css | Tailwindcss | JavaScript | Typescript | React | Redux | Nextjs | Responsive design etc …

WORK EXPERIENCE

Front-End Engineer, Brightstar Intergal Technology solution: UBA , Lagos, Nigeria   Jan 2022 - Dec 2022

Stack:Javascript, .Net, Boostrap, Tailwindcss,JQuery, etc …

➢ Worked on a team to design and develop the company's website from stretch using HTML, CSS, and Javascript ….
➢ Created and maintained the website's style guide to ensure consistency in design and branding.
➢ Identified, fixed and wrote post-mortems for critical bugs. This not only prevented bugs like these but also helped the whole team reflect and improve the process we took to find the bugs.
➢ Collaborated with the back-end development team to integrate the front-end with the website's APIs.

.

Front-End Engineer, Brightstar Intergal Technology solution   May 2021 - Oct 2021

Stack: React, Typescript, Redux,

➢ Developed and maintained the company's web application using React, Redux, and TypeScript.
➢ Collaborated with the design team to incorporate visually appealing and user-friendly elements into the web application.
➢ Collaborated with the back-end development team to integrate the front-end with the website's APIs.
➢ Improved the website's performance and user experience by optimizing code and implementing front-end best practices.
